## **VILLAGE COMMITTEE RECOMMENDS APPROVAL OF WISCONSIN CONTRACTOR FOR DEMOLITION WORK**

*Guelig Waste Removal recommended for two contracts*

**MOUNT PLEASANT, Wis.** – Today, the Village of Mount Pleasant’s Finance, Legal and License Committee voted to recommend awarding Wisconsin-based Guelig Waste Removal And Demolition LLC (Guelig Waste Removal) with two contracts to conduct the first demolition work tied to Foxconn’s \$10 billion, 22-million-square-foot manufacturing campus. The Village Board will consider the recommendation at its meeting on June 4<sup>th</sup>.

“We were pleased to see the positive response from Wisconsin companies for the Village’s first Foxconn-related construction contracts,” said Claude Lois, Project Director for the Village of Mount Pleasant. “In keeping with our Wisconsin First commitment, the recommended team is led by a Wisconsin-based company and includes four additional subcontractors, all based in Wisconsin, with two from Racine County.”

Guelig Waste Removal, based in Eden, Wisconsin, was the lowest bidder for both Bid Package A and Bid Package B. In total, the two bid packages amount to \$378,300. All 20 bids received by the Village were from Wisconsin companies. Additionally, all four subcontractors proposed in the Guelig bid packages are Wisconsin contractors and two are located in Racine County. Proposed subcontractors include KPH Construction, based in Milwaukee; Adam Salem Sand & Gravel, Inc., based in Salem; Krizan’s Well Drilling, based in Union Grove; and Pat’s Services, Inc., based in Burlington.

This initial demolition will focus on properties along Braun Road. The work will include razing and removing all structure(s), out buildings, flatwork, driveway aprons, fill, filling all basements, crawl spaces and excavated areas with approved granular material, landscape restoration, traffic control as needed, and erosion control. The bid award involves demolition of 12 parcels related to Braun Road North in the Village of Mount Pleasant and 11 parcels related to Braun Road south.

### **ABOUT THE VILLAGE OF MOUNT PLEASANT**

The Village of Mount Pleasant is a community that prides itself on one of its greatest assets — location. Comprised of 36 square miles in Eastern Racine County, Mount Pleasant is one of the fastest growing communities in the State of Wisconsin. Stretching from Lake Michigan to Interstate 94, its location provides easy access to metropolitan Milwaukee and Chicago, including General Mitchell International Airport just minutes to the north. Mount Pleasant also offers a wide variety of business opportunities. Numerous local, national and international companies call Mount Pleasant home, including Putzmeister, Case New Holland, SC Johnson, Diversey, Seda International Packaging, Badger Meter, and many others. Companies are also consistently expressing interest in the community and the area as a whole. This interest in development, despite the economic conditions both nationally and worldwide, has allowed the Village to see consistent growth providing additional jobs and amenities for residents. ## **ABOUT THE PROJECT**

Foxconn is investing an estimated \$10 billion in Mount Pleasant, in the heart of Racine County, Wisconsin to create North America's first liquid crystal display (LCD) manufacturing facility. The Foxconn manufacturing campus will be approximately 22 million sq. ft. — by far the largest project in the state and one of the largest manufacturing campuses in the world. The investment represents the return of electronics manufacturing to the U.S. from Asia. Foxconn's investment will change the economic landscape in Racine County and Wisconsin and establish the state as the electronics manufacturing capital of North America.
